

HAMILTON CIVIC CHOIR

Hamilton Civic Choir has been entertaining Waikato audiences for over 70 years.

Established in 1946, our not-for-profit, auditioned community choir has set a goal of being one of New Zealand's premier choirs. We sing with other community choirs, as well as professional musicians and soloists, and bring a wide variety of classical music to the Waikato. We maintain a major musical presence in the region by presenting four to six concerts every year, as well as free concerts at Hamilton Gardens and at various rest homes.

WE NEED YOUR HELP

Our annual costs are between \$65,000 and \$85,000 and include venue hire, music hire, and paying soloists and musicians. It is not feasible to meet these costs through ticket sales and member subscriptions alone. Without financial support we are not viable.

Please consider becoming a sponsor of Hamilton Civic Choir.
